The Bylaws of the Boxer Club of Southern California provide:

**Article 1 Section 1:** There shall be three types of membership. While membership is to be unrestricted as to residence, the Clubs primary purpose is to be representative of the breeders and exhibitors in the Southern California area.

- A. Regular (voting) membership. Has all the privileges of membership, including voting and holding office (must be present at the general meeting in order to vote). Persons must be (18) years of age and older who own or co-own a least one pure bred Boxer registered with the American Kennel Club, who are in good standing with the American Kennel Club and American Boxer Club and who subscribe to the purpose of the Clubs. Regular members are required to attend a minimum of two general meetings, work a specialty event, or serve as a committee member each club fiscal year. Failure to do so will revert the member's status to Associate member. The recording secretary shall maintain appropriate records. Compliance to be determined by 2/3 affirmative vote of the Board of Directors.
- B. Associate (non-voting) membership. Has all the privileges of regular membership except for voting and holding office. May serve on committees. Does not count toward a quorum. They do not have to attend a meeting to apply for membership. In order to move from associate to regular membership, an associate must petition the Board of Directors in writing, requesting a change in status to Regular Membership and then must attend two (2) meetings before being recognized as having Regular Membership status.
- C. Junior associate (non-voting) membership. Children 9-17 years of age, whose parent or guardian is a member in good standing of the Boxer Club of Southern California, may become Junior Members of the Club with full membership privileges, with no payment of dues and with no vote. Requirement for a parent or guardian to be a club member may be waived by 2/3 approval vote of the Board of Directors. Juniors may automatically convert to regular membership status upon reaching their 18th birthday if in good standing with the American Kennel Club, American Boxer Club and Boxer Club of Southern California.
